

## Digital Audio to Analogue Audio Converter

 av.link

USB powered unit that converts digital optical or Coaxial audio signals to analog RCA and 3.5mm headphone jack outputs.

Code	Description
437-225	Digital Audio to Analogue Audio Converter

## 4K HDMI Digital Audio Extractor

 av.link

USB powered HDMI to HDMI unit that extracts digital optical and/or analogue audio from a HDMI source signal.

Code	Description
437-235	4K HDMI Digital Audio Extractor

## Composite RCA to HDMI AV Converter

 av.link

USB powered unit that converts composite analogue RCA audio and video to HD and full HD signals via HDMI socket.

Code	Description
437-260	Full HD RCA to HDMI AV Converter

## HDMI to Composite RCA AV Converter

 av.link

USB powered unit that converts HD video and audio signals from a HDMI socket to analogue composite RCA audio and video.

Code	Description
437-250	HDMI to Composite RCA AV Converter

## Scart to HDMI Converter

 av.link

USB powered unit that converts analogue video signals from older devices with a Scart interface to high-definition HDMI outputs.

Code	Description
437-263	Scart to HDMI Converter

## HDMI to Scart Converter

 av.link

USB powered unit that converts HDMI video signals for use with older TV's and displays with an analogue Scart interface.

Code	Description
437-268	HDMI to Scart Converter

## 4K HDMI 2.0 Splitters

 av.link

Slimline 4K HDMI splitters to easily connect a single HDMI source to multiple displays at the same time.

Code	Description
437-102	HDMI V2.0 4K Splitter 1x2
437-105	HDMI V2.0 4K Splitter 1x4
437-110	HDMI V2.0 4K Splitter 1x8

## Mini HDMI Switch 3x1 with IR Remote Control

 av:link

This mini HDMI switch allows a single display to be connected to up to 3 sources and selected using the remote or button on the unit.

Code	Description
452-449	Mini HDMI Switch 3x1 w/IR

## 4K Mini HDMI Splitter 1x2

 av:link

This 4K compatible mini HDMI splitter allows a single HDMI source to be connected to two displays at the same time.

Code	Description
437-100	Mini HDMI Splitter 1x2

## Pre-amplifier for Turntables

 av:link

A compact ultra-low noise pre-amp that amplifies phono signals from a turntable to line level signals.

Code	Description
452-110	Pre-amplifier for turntables

## 4K HDMI 2.0 Repeater

 av:link

A compact 4K HDMI repeater to connect HDMI cables of up to 40m combined length with minimal signal degradation.

Code	Description
437-430	4K HDMI 2.0 Repeater

## 100m Range 4K HDMI Extender Over Ethernet Kit

 av:link

An extender kit that allows 4K and FHD HDMI signals to be sent between devices at distances of up to 100m using a single network cable.

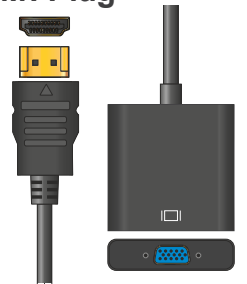

Code	Description
437-460	4K HDMI Extender Over Ethernet Kit (100m)

## Adaptor Lead HDMI Plug to VGA Socket

 av:link

An adaptor lead converting a standard HDMI plug to a VGA socket.

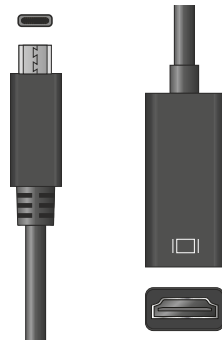

Code	Description
437-293	HDMI to VGA Adaptor Lead

## Adaptor Lead USB3.1 Type-C Plug to HDMI Socket Digital Adaptor

 av:link

A digital adaptor lead converting a USB3.1 Type-C plug to an HDMI socket.

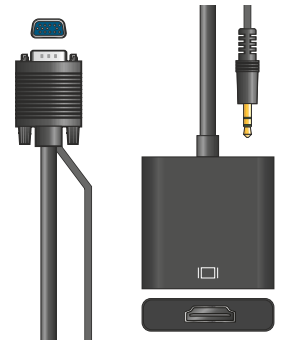

Code	Description
437-255	Adaptor Lead USB Type-C Plug to HDMI Socket Digital Adaptor

## Adaptor Lead Kit VGA Port Plug to HDMI Socket

 av:link

An adaptor lead kit converting a standard VGA plug and 3.5mm audio to an HDMI socket.

Code	Description
437-295	Adaptor Lead Kit VGA Port Plug – HDMI Socket
